young children.

Busy Kids- Mission

We will work in partnership with parents,
practitioners and other professionals to maximise
the health and well-being of all children.

Busy Kids - Core Values

Empathy

We take time to understand our children so we can tailor our
Early Years Care and Education programme to suit them and
their families.

Empowerment

We believe in enabling children to feel valued as active
learners, as unique individuals, to value equality and diversity
and value children as citizens.

Energy

We encourage practitioners to look for new and exciting
ways to meet children's needs.
We challenge ourselves to ask questions, seek solutions, and
embrace new ideas

Teamwork

We complement and collaborate so we can achieve more than
we would as individuals.
We create an atmosphere of honesty and trust by openly
communicating with one another

Advocacy

We are advocates for our children and colleagues, in all areas
of holistic wellbeing, to other issues such as Children's Rights
and entitlements.

Warmth

We create environments in which children feel valued,
respected and cared for, with a sense of identity and belonging.
